IMMACULÉE ILIBAGIZA

A Message of Faith, Hope, & Forgiveness

IMMACULÉE is a survivor of the 1994 Rwandan Genocide. She spent 91 days hiding with seven other women in a 3 x 4 foot bathroom, as killers lurked just outside. During this time she taught herself English with a Bible and dictionary and immersed herself in prayer and forgiveness.

FROM HER BOOK, "LEFT TO TELL"...

"Forgiving the men who killed my parents and brothers was a process, a journey into deeper and deeper prayer."
